

## **CEMETERY TRUSTEES STEWARDSHIP PROGRAM**

This program will assist the Cemetery Trustees with simple upkeep of Deering's cemeteries. We cannot visit all cemeteries all the time, so your eyes on these properties is invaluable to us. The trustees oversee contractors who takes care of the maintenance of town cemeteries including mowing, tree trimming, stonework, and fence repairs as needed. The stewards would participate in these chores in a smaller role. A steward would walk through their chosen cemetery 5 or 6 times a year, or as often as they like. Responsibilities include light cleanup work: removing small fallen branches; pulling back grass from flat headstones; or trimming back small branches in front of headstones for readability. Liability is an issue, so please do not use a chainsaw or try to move any heavy objects, or try to upright headstones (they could break). We have a contractor to do that work. Any person in any cemetery is there at their own risk.

Please send any notes regarding your cemetery to the email address on the cemetery trustees web page, on Deering's town site. Copy me if you can. We thank you for your love of cemeteries, and your participation in this program!

Cemetery	Location	Steward	Private or Town-owned	Comments
Appleton	Rte 149, near Hillsborough border	Kristi LeGore	Town	
Bartlett	East Deering Rd.		Private	
Butler	Rte 149, near Hillsborough border	Kristi LeGore	Private	
East Deering	East Deering Rd.	Charles Byam	Town	
Ellsworth	Reservoir Rd.	Joel and Emily VanPatten	Private	
Family	Old County Rd Extension		Private	
Goodale	Driscoll Rd.	Sue and Mike Thomas	Town	
Gove	Wolf Hill Rd.	Kevin Larmand	Town	
Hill	North Rd. Audubon property	Marge Bryce	Private
