April 1, 2024 6:30pm

Meeting opened at 6:30pm

Present: Kay Hartnett, June Holm, Barbara Larmand, Kristi LeGore, John Reynolds  
Guests: Cynthia Krill, Rick Stoye

1. Rick presented his progress on the future Deering Cemeteries website. Wolf and Kohlman were added bringing a total of 16 cemeteries to the site. Lots of great features have been added like tags for veterans which will be a helpful tool for placing flags. He took us through how to edit entries and add information. As the site is nearing completion we will brainstorm a final site name. Thank you Rick for all your awesome work!
2. Discussed language to be added to by-laws that Cemetery Trustees will determine next available plot location.
3. Flag supply is low and more will need to be ordered. John Reynolds motioned to purchase a sufficient number of flags for veteran graves, estimated to be about 300, from Flagworks of America. Funds to come from Other Supplies budget line. Seconded by Kristi LeGore. All in favor.
4. After two heavy storms we will assess any damage at our Deering cemeteries and plan clean-up days as needed. Currently Appleton is in need of a visit.
5. Barbara is securing us an official email so we can provide contact information for any inquiries or correspondence. When the Deering Cemeteries website is up and running we will have the ability to receive biographical information.
6. With the approval of the Board of Selectmen, June Holm and Kristi LeGore will be sworn-in.
7. Kay Hartnett motioned to adjourn at 8:30pm. Seconded by Kristi LeGore. All in favor.
